Regional Analysis and Escape and Evasion Geography of [redacted]

25X1C

To prepare a regional analysis and escape and evasion geography of [redacted]

25X1C

This study will analyze regionally and/or present systematically within the space limitations set by the requester those facts in the geography and society of [redacted] which directly affected the existence and safety of an evader. It will indicate generally routes to be followed, areas to be avoided and dangers and refuges to be anticipated within the area.

Requested by DIC for the Strategic Air Command, USAF
